Let's meet  
in business

# We are a manufacturer of professional cosmetics with 25 years of experience.

We offer two models of cooperation - private label and contract manufacturing enabling the creation of cosmetics under your brand.

## What distinguishes us?

- ▶ a portfolio of over 600 ready formulas
- ▶ a warehouse of over 250 active raw materials
- ▶ low MOQ - 25 kg
- ▶ competitive prices
- ▶ comprehensive service from production to fulfilment
- ▶ our own technological and microbiological laboratories
- ▶ modern machine park
- ▶ GMP certificate for compliance with PN-EN ISO 22716

## We specialize in the manufacturing of:

- ▶ natural and vegan cosmetics
- ▶ professional cosmetics for beauty parlours
- ▶ cosmetics for daily face, body and hair care
- ▶ toothpastes
- ▶ cosmetics reproduced in accordance with the customer's request

## We provide assistance in:

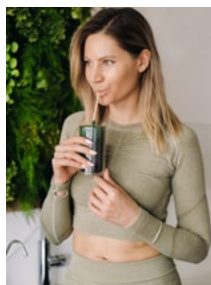

- ▶ developing formulas with the selection of appropriate active ingredients
- ▶ carrying out all mandatory tests: application, dermatology, microbiology
- ▶ preparation of documentation and registration of cosmetics
- ▶ creating product descriptions
- ▶ creation of packaging, labels and cardboard boxes
- ▶ building an online store including fulfilment

## Our offer also includes:

test of  
cosmetic

supplements  
in liquid form

raw materials  
for cosmetics

care products  
for animals

devices  
for beauty parlours

disposable  
accessories for the  
beauty industry
